THANKS TO YOU

Our sponsors, friends and supporters, last year's tournament raised over \$20,000 for Eisenhower Health, bringing our 12 year total to **\$400,000**.

"The Shoopy Scramble continues to make a powerful impact in the fight against skin cancer and multiple myeloma at Eisenhower Lucy Curci Cancer Center. With one of the highest skin cancer rates in the nation, Californians face an urgent need for early detection as it's our best defense against life-threatening disease. Thanks to your incredible generosity, more than 100 individuals received free, potentially life-saving skin cancer screenings last May." - **Theresa Maggio Senior Director, Annual Giving, Eisenhower Lucy Curci Cancer Center**

Together, Let's Spread the Awareness Quicker Than Skin Cancer Is Spreading.

Skin cancer is the most common cancer in the United States, with millions of cases diagnosed each year. It's also one of the most preventable cancers and highly treatable when found early. More and more people are developing melanoma, the most-serious skin cancer, than ever before. As a 2-time survivor of malignant melanoma, I invite you to join me **Sunday, April 19, 2026** at Desert Willow Golf Resort.
